

**PROFESSIONAL & CHARACTER REFERENCES:**

Please type or print names and addresses of 5 references; 3 of the references must be professional engineers. If work was not gained under a licensed professional engineer's responsible charge, an explanation must accompany this application. Examples could include gaining experience in military or an industrially exempt area, such as working for a large chemical company that does not provide engineering to the public. These names provided should be directly related to the experience being submitted for review.
