MARRIAGE AND FAMILY THERAPISTS**

REQUIREMENT:

- ⇒ 20 clock hours of accredited continuing education required per year, January 1st through December 31st.
- ⇒ If newly licensed before July 1st of the renewal year, 20 clock hours of continuing education will be required for the first year of renewal.
- ⇒ If newly licensed between July 1 and October 1 of the renewal year, 10 clock hours of CE will be required for the first year of renewal
- ⇒ If newly licensed after October 1 of the renewal year, CE will not be required for the first year of renewal.
- ⇒ Even though there is a 45-day period to renew a license after the deadline date, this time is not for the purpose of acquiring CE. If you do not renew by the 46th day, your license is expired

The continuing education requirement only applies to licensees. CE will only be accepted after the original date of licensure in Montana.

WAYS TO EARN CREDIT:

- ⇒ Attendance at a workshop or conference that has been granted approval by the Board Office.
- ⇒ Attendance at academic social work/counseling-related classes or workshops offered by accredited colleges or universities
- ⇒ A maximum of 10 clock hours may be earned for the first time preparation and presentation of a new course in-service workshop or seminar which is related to the enhancement of social work/counseling practice, values, skills and knowledge.
- ⇒ A maximum of 10 clock hours may be earned for the preparation by the author or authors of a professional social work/counseling paper published for the first time in a recognized professional journal, or given for the first time at a statewide or national professional meeting; or have a book published.
- ⇒ Home study or Online courses, offered by approved providers that supply proof of completion and hours awarded. At this time, there is no limit on the number of CE hours earned through home study or online.

APPROVAL PROCESS:

- ⇒ Continuing education offerings submitted to the Board Office will be assigned a program number and a copy of the approval shall be mailed or emailed to the requester.
- ⇒ A Continuing Education Approval Request Form must accompany all programs initially submitted. Approval is good for one calendar year.
- ⇒ Submit one copy of the Continuing Education Approval Form with an outline, agenda, brochure or syllabus that shows the times and content of the course. A short vita on the presenters of the course is also requested.
- ⇒ Upon receipt of the Approval Request Form, and accompanying information, the Board Office will assign a program number.
- ⇒ After this process is completed, it does not need to be done again - the program is approved for one calendar year for any attendee. If the program is offered annually, submission must be made each year.
- ⇒ If the program is denied, an appeal for full board review may be made.

PROOF OF ATTENDANCE:

- ⇒ **Sponsors** of programs **are responsible** for issuing to licensees who attend the conference a "proof of attendance". This may be a letter, signed by the sponsor, or a certificate of completion, which shows the title of the workshop, the name of the licensee attending, the dates of the conference, the clock hours earned by the attendee, and the program number assigned by the Board Office.
- ⇒ The licensee is responsible for submitting a copy of the "proof of attendance" along with the CE report form to the Board Office if audited.
- ⇒ It is **strongly** recommended that each licensee keep copies of documentation verifying attendance at workshops or any activities listed for continuing education clock hours.
- ⇒ It is the responsibility of the licensee to maintain and provide evidence of completion of the continuing education requirement.
- ⇒ **If selected for audit** for compliance with the CE Requirement, the licensee is responsible for submitting the documentation.

CLOCK HOURS:

- ⇒ Time allowed for continuing education activities is to be submitted in clock hours, disallowing time for registration and break, except for example, a luncheon or dinner speaker.
- ⇒ Total clock hours should be rounded off to the nearest hour.
- ⇒ One college or university quarter hour credit translates to 10.0 clock hours.
- ⇒ One semester credit is equal to 15.0 clock hours.

- ⇒ Any licensee over the age of 70 may apply for an exemption from the CE requirements by filing a statement with the Board setting forth good faith reasons why he or she is unable to comply with the rules and an exemption may be granted by the Board.
