LETTER OF DISASSOCIATION

ARM 24.141.505 ELECTRICAL CONTRACTOR LICENSING:
(6) A responsible electrician who leaves the employment of a licensed electrical contractor, for whatever reason, must provide written notification to the board office of that fact, within ten working days. The licensed electrical contractor must provide the board office within ten working days, on a prescribed form, of the change of responsible electrician. Failure to name another responsible electrician within ten working days shall be cause for suspension of the electrical contractor license and cause for revocation.
