Step One:
Direct your browser to the Montana Department of Labor & Industry training site at DLITRAINING.MT.GOV.

Step Two:
You will come to the next page that will request your email address. Please use an email address that you check often. Enter the email address and click the “Send” button.
This will generate an email to the address you provided.

Step Three:

The email you will receive will have a link to click on to gain access to the site.

Thank you for registering with MontanaWorks!

Please [click here](#) to complete your registration.

This email is valid for 60 minutes.
Step Four:

After you click the link you will be taken to the page below. Please enter in all your information. I would suggest that you use your first initial and last name as a username.

![Create Your Account form]

- Username
  Must be between 6-30 characters long. It may contain letters, numbers, and only these special characters: `@ _ -` (the "at" symbol, period, underscore and dash).

- First Name

- Last Name

- Password
  Must be between 8-30 characters long, and must contain letters and numbers PLUS at least one of the following special characters: `!@#$%^&*`.

- Confirm password

Save
Step Five:

After you create your Username and Password, you will be asked to enter in two security questions.

After you click save, you will see the following screen. Click on Return to Login Page to enter in your information.
Step Six:

Enter in the User Name and Password you just created.

Step Seven:

After logging in you will see the homepage of the DLI Training site. You will click on the course you need to take and you are good to go.
