APPLICANT RIGHTS & CONSENT TO FINGERPRINT NOTICE

As required by 28 CFR § 50.12, you are advised that your fingerprints will be used to check the criminal history records of the Federal Bureau of Investigation and the Montana Department of Justice for the sole purpose of applying for professional licensure. Any resulting criminal history record will be retained for this purpose only and will not be disseminated outside of the Montana Department of Labor & Industry and related licensing board or program.

A Privacy Act Statement further explaining authority, principal purpose and routine use by the FBI of your information is included on the following page.

CHANGE, CORRECT, OR UPDATE RECORD

Procedures for you to obtain a change, correction, or update to your criminal history record are set forth in Title 28, C.F.R. § 16.30 - 16.34.

Our office will notify you if a disqualifying criminal offense is found in your criminal history record and give you a reasonable opportunity to challenge or correct the information, or decline to do so, before making a licensure decision.

If we notify you of a disqualifying conviction in your criminal history record, you may contact board or program licensing staff at the Business Standards Division of the Department of Labor & Industry to obtain a copy of your criminal history record. You can view your criminal history record in person, have it mailed to you, or sent to you by the State of Montana File Transfer Service. For security reasons, the criminal history record cannot be emailed to you.

If, after review, you believe your criminal history record is incorrect or incomplete and wish to change, correct, or update the alleged deficiency, you should apply directly to the law enforcement agency that contributed the questioned information. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the law enforcement agency that contributed the question information requesting the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes in accordance with the information supplied by that agency. Information regarding this process may be obtained at www.fbi.gov/services/cjis/identity-history-summary-checks.

Within 10 calendar days of the date of receiving the results of the criminal history record, you must notify the board or program licensing staff if you have challenged your record by providing a copy of the correspondence you have submitted as referenced above. If the licensing board or program has not received a copy of such correspondence within 10 calendar days, licensing staff will schedule a disposition on the issuance of your license based on the record in its possession.

10. You will be notified to take corrective action if your fingerprint card is rejected as “unreadable,” is not accompanied by proper payment, or is incomplete. A second rejection of a fingerprint card as “unreadable” will require BSD to conduct a name-based search, resulting in additional processing time.
11. Once a fingerprint card or name-based search is processed, the resulting criminal history (aka “Identity History Summary”) result will be sent directly to the Board in care of the Business Standards Division. If there is a conviction or convictions that require Board review, we will notify you.
