Operation Plan Update

I hereby certify that the amount and kind of equipment and the facility I intend to use in my operations is in fact owned, leased, or contracted for by me is in good operating condition, and is sufficient and satisfactory for the services advertised or contemplated to be performed by me.

I hereby certify that I have in my possession all public land permits and/or signed private land approval forms for property where I am authorized to operate.

I hereby certify that the information provided is correct, true, complete, and accurate. I also certify and will make available, at all times, at my main base camp or business office to authorized personnel all public land permits and/or signed private land approval forms for property where I am authorized to operate.

Operation Plan Update – Fishing

In accordance with Board rule ARM 24.171.505, I amend my operations plan to include all surface waters governed by the Montana Stream Access Law 23-2-302, MCA, and accessible by public access points not requiring a permit issued by a state or federal agency.

I amend my operations plan to include all portions of each water body identified as a Fishing Access Site.
