FIRST AID CARD RECERTIFICATION

Licensees who have proven by Board record to have previously taken a hands-on first aid course, may now utilize ProFirstAid; ProFirstAid Basic; and/or ProFirstAid Advanced online courses for recertification. Contact information 888-406-7487, www.profirstaid.com.

All first time applicants must take and provide certification of a hands-on first aid course approved by the Board. For any training course or provider not on this list, please contact the Board office **prior to** taking the course and obtain information on how to request Board approval of a course/provider. You may contact the Board office with questions regarding first aid courses approved by the Board at 406-841-2202.
