The following information MUST be included:

- Participant's name,

### Credit Earned

Group programs and blended learning programs must be a minimum of one hour, but credit may be earned in one-fifth or one-half hour increments after the first full credit hour is earned.

Blended learning hours must equal the sum of the credit determination for the various completed components of the program. Pre-program, post-program, and homework assignments cannot be more than 25% of the total blended learning CPE credit for that class.

Self-study programs must be a minimum of one-half credit hour, but credit may be earned in one-fifth or one-half hour increments after the first one-half hour credit is earned. A self-study course that is offered by a sponsor that IS NOT a NASBA Registry sponsor receives half credit. Those courses must be at least 50 minutes to receive any credit.

Nano-learning is earned at one-fifth credit hour. Nano-learning courses must be offered by a NASBA National Registry of CPE Sponsor to receive any CPE credit.

You may earn up to 60 hours (50%) of the rolling three-year requirement as a lecturer, instructor, speaker, or technical reviewer. You may earn a maximum of 16 hours per year as a report reviewer. You may earn up to 30 hours (25%) for authoring published articles, books or other publications but the final awarded credit will be determined by the Board. You will want to review Board [rules](#) to familiarize yourself with the conditions placed on earning such credit hours.

### CPE Audit

The Board would like to remind you that if you are selected for CPE audit, you MUST report your CPE and provide documentation through the CPE Audit Service. Keeping the system up to date will allow you to see at a glance if you are compliant with requirements, and will simplify submitting for an audit.
