I intend to be an active practitioner in the State of Montana and hereby request consideration of reactivation of my license. I have enclosed verification that I have maintained a current license in any jurisdiction for three previous years prior to requesting conversion to active status and am aware that the board may require me to take and pass the principles and practice of the engineering and or land surveying examinations as applicable.

Also, enclosed is evidence that I have obtained the required 30 Professional Development Hours (PDH) which is subject to review and approval by the Board or its designee. Proof of attendance would include certificates of attendance, proof of payment for course material, college or university transcripts, or any other means to validate attendance.

Yes___ **No**___ Have any legal or disciplinary actions been instituted against you since your last renewal? If so, please attach copies of the document that initiated each action and all final orders. Section 37-1-105 MCA, requires that you report this information. Failure to accurately furnish the information is grounds for denial or revocation of your license.
