## Licensing Requirements and Application Checklist Medical Gas Piping Endorsement

### License Requirements for a Med Gas License:

Below are the minimum requirements you must meet in order to be licensed in the state of Montana.

1. A person with a valid medical gas piping installation endorsement from another state may install medical gas piping in this state. The board shall by rule establish the requirements for obtaining a medical gas piping installation endorsement. [[37-69-401, MCA](#)]

2. Documentation that provides proof the applicant has successfully completed an approved training program which meets the criteria of ASSE series 6000 professional qualification standards and a third-party testing source acceptable to the board, and has obtained certification in the installation of medical gas systems, based on NFPA 99C and Section IX of the ASME Welding and Brazing Codes; and the nonrefundable application fee.

The board will review applications for endorsement on a case-by-case basis and issue endorsements to those applicants meeting the requirements imposed by [[37-69-401, MCA](#)]

The board may, at its discretion, require additional documentation from an applicant to verify compliance with the requirements imposed by [[37-69-401, MCA](#)]  
[[ARM 24.180.704, 37-69-401, MCA](#)]

### Checklist of Required Documents to Submit for a Med Gas License:

The following documents and additional forms are required in addition to the basic application. Some documents may be submitted directly by the applicant as part of the application. Others, such as transcripts, may need to be sent to the board directly from the source.

- Official license verification from states and jurisdictions in which the applicant holds or has ever held a professional license of any type;
- Documentation of approved training that meets ASSE series 6000 professional qualification standards;
- Third party testing source acceptable to the board is met, and obtained certification of ASME welding and brazing certification;
- Copy of valid medical gas piping endorsement license from another State.
