INSTRUCTIONS TO OBTAIN FINGERPRINT BACKGROUND CHECK

Carefully read and follow the steps in the order specified below:

- 1. Submit a license application to the BSD online or by paper and an application fee. The application includes an Applicant Rights & Consent to Fingerprint Notice. This form authorizes our agency to receive and review your fingerprint background check results. Any fingerprint background check results received without your acknowledgement of receipt of an Applicant Rights & Consent Notice (acknowledged received if online or signed and returned to us if on paper) may be discarded.
- 2. You may continue to work on completing your application while the results are processed (e.g., forwarding transcripts or verifications) but if you have not completed your application within six months after our receipt of the results, you will be required to resubmit your fingerprints to obtain a current background check results.
- 3. You have two options to have your fingerprints captured:
 - Option 1 Local Law Enforcement Agency (estimated time to send results to the Board or Program $\underline{\textbf{4 to 8 weeks}}$) \mathbf{OR} -
 - Option 2 Montana Department of Justice (MDOJ), Division of Criminal Investigations-Criminal Records in Helena, Montana, (406) 444-3625. (Estimated time to send results to the Board or Program <u>3 to 5 business days</u>).

2225 Eleventh Avenue PO Box 201403 Helena, MT 59620 Email: dojcriss@mt.gov

- 4. Contact the law enforcement agency in advance to ask if it performs non-criminal fingerprinting and if so, the need for an appointment, forms of acceptable identification, hours of operation, cost, and methods of payment. Find out if the agency will supply the appropriate Fingerprint Card (Form FD258 rev. 5-15-17) or if you need to obtain the card from MDOJ prior to arriving.
- 5. You *may* be charged a fee to capture each set of your fingerprints. This fee is in addition to the processing fee paid to MDOJ to run the background check.
- 6. Provide the technician with a government-issued, photograph identification to prove your identity.
- 7. <u>IMPORTANT</u>: Provide the technician a copy of a Fingerprint Card Example for the license type you are applying for that contains information *unique to your license type.* The fingerprint card must have all fields correctly filled out to be accepted by the MDOJ.

- 8. Request the technician to capture your fingerprints TWICE and create TWO fingerprint cards to help avoid unnecessary delay due to rejection of poor quality prints. This is especially important if your fingerprints are ink-rolled.
- 9. If using a Local Law Enforcement Agency, you must mail the completed Fingerprint Card in a manila envelope with the correct amount of postage and a check or money order made payable to the "Montana Department of Justice" in the amount of **\$30.00** to:

Please do <u>NOT</u> fold or staple the fingerprint card. Please do <u>NOT</u> upload the fingerprint card to your online account with the Department of Labor & Industry, Business Standards Division.

- 10. You will be notified to take corrective action if your fingerprint card is rejected as "unreadable," is not accompanied by proper payment, or is incomplete. A second rejection of a fingerprint card as "unreadable" will require BSD to conduct a name-based search, resulting in additional processing time.
- 11. Once a fingerprint card or name-based search is processed, the resulting criminal history (aka "Identity History Summary") result will be sent directly to the Board in care of the Business Standards Division. If there is a conviction or convictions that require Board review, we will notify you.
- 12. Notice of your privacy rights and procedures for obtaining a change, correction, or updating of an Identity History Summary are provided to you separately in the *Applicant Rights* & *Consent to Fingerprint Notice*.

APPLICANT RIGHTS & CONSENT TO FINGERPRINT NOTICE

As required by 28 CFR § 50.12, you are advised that your fingerprints will be used to check the criminal history records of the Federal Bureau of Investigation and the Montana Department of Justice for the sole purpose of applying for professional licensure. Any resulting criminal history record will be retained for this purpose only and will not be disseminated outside of the Montana Department of Labor & Industry and related licensing board or program.

A Privacy Act Statement further explaining authority, principal purpose and routine use by the FBI of your information is included on the following page.

CHANGE, CORRECT, OR UPDATE RECORD

Procedures for you to obtain a change, correction, or update to your criminal history record are set forth in Title 28, C.F.R. § 16.30 - 16.34.

Our office will notify you if a disqualifying criminal offense is found in your criminal history record and give you a reasonable opportunity to challenge or correct the information, or decline to do so, before making a licensure decision.

If we notify you of a disqualifying conviction in your criminal history record, you may contact board or program licensing staff at the Business Standards Division of the Department of Labor & Industry to obtain a copy of your criminal history record. You can view your criminal history record in person, have it mailed to you, or sent to you by the State of Montana File Transfer Service. For security reasons, the criminal history record cannot be emailed to you.

If, after review, you believe your criminal history record is incorrect or incomplete and wish to change, correct, or update the alleged deficiency, you should apply directly to the law enforcement agency that contributed the questioned information. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the law enforcement agency that contributed the question information requesting the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes in accordance with the information supplied by that agency. Information regarding this process may be obtained at www.fbi.gov/services/cjis/identity-history-summary-checks.

Within 10 calendar days of the date of receiving the results of the criminal history record, you must notify the board or program licensing staff if you have challenged your record by providing a copy of the correspondence you have submitted as referenced above. If the licensing board or program has not received a copy of such correspondence within 10 calendar days, licensing staff will schedule a disposition on the issuance of your license based on the record in its possession.
