MPDR FEE STATEMENT

All Montana licensees who are authorized to prescribe or dispense controlled substances in Schedules II-V are required to pay a \$30 annual fee for establishing and maintaining the Montana Prescription Drug Registry (MPDR); see Montana Code Ann. Sec. 37-7-1511 (1), effective July 1, 2015, as amended by the Montana Legislature. The MPDR is administered by the Board of Pharmacy. The MPDR Fee is collected as a separate fee at the time of initial license application or as part of license renewal. Payment is required whether or not the licensee is physically located in Montana or uses the MPDR online program.

I attest that the MPDR Fee does not apply to me, as I am not registered with the Drug Enforcement Administration (DEA) to prescribe controlled substances.

I understand I have a recurring duty to comply with continuing education, certification, or other requirements established by ARM 24.111.2103 and that I may be audited for compliance with these requirements. If I am found to be out of compliance with these requirements, I understand my license may be subject to disciplinary action or administratively suspended until I meet the requirements of the law or rules stated above.

I hereby declare under penalty of perjury the information included in my renewal to be true and complete to the best of my knowledge.
