Log in using your account on:

login mt gov Okta

⚠ Login Help

All users must now log in with the login.mt.gov Okta button!

Do Not Attempt to Log In Using the Username & Password Fields at the Top of the Page.

[You will get an error message if you do.]

Instead, use the login.mt.gov Okta Button above.

Step Two:

If you do not yet have a login.mt.gov Okta account, you will be prompted to create one. An Okta account requires you to have an email address that you have access to so that you can verify the account. After you verify that email, you will be able to log in here by clicking the Okta button again.

To create an Okta account as a first-time user, click the **Sign up** link to begin the process.

[Back to Sign In](#)

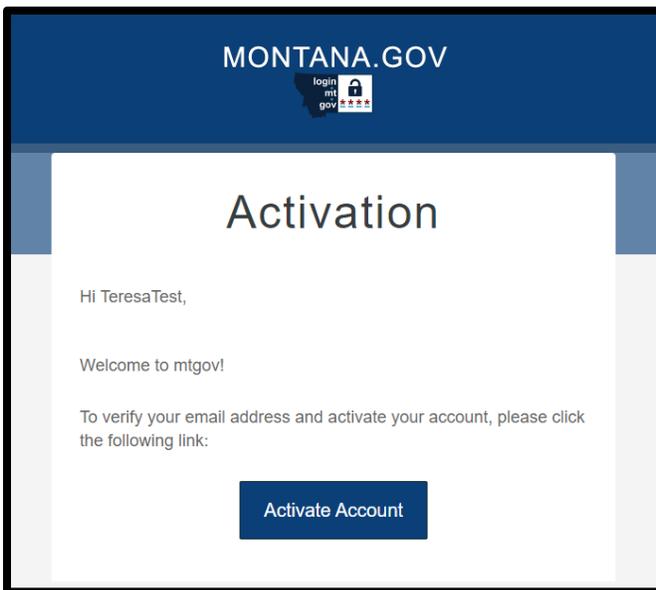

You will see the following verification message

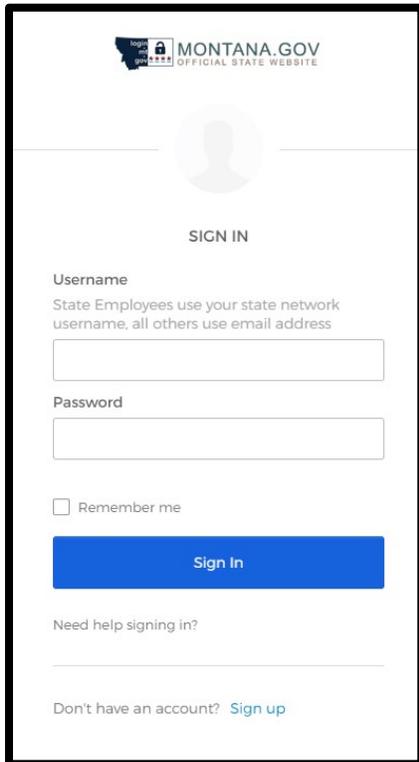

Check your email account for an Okta activation email.

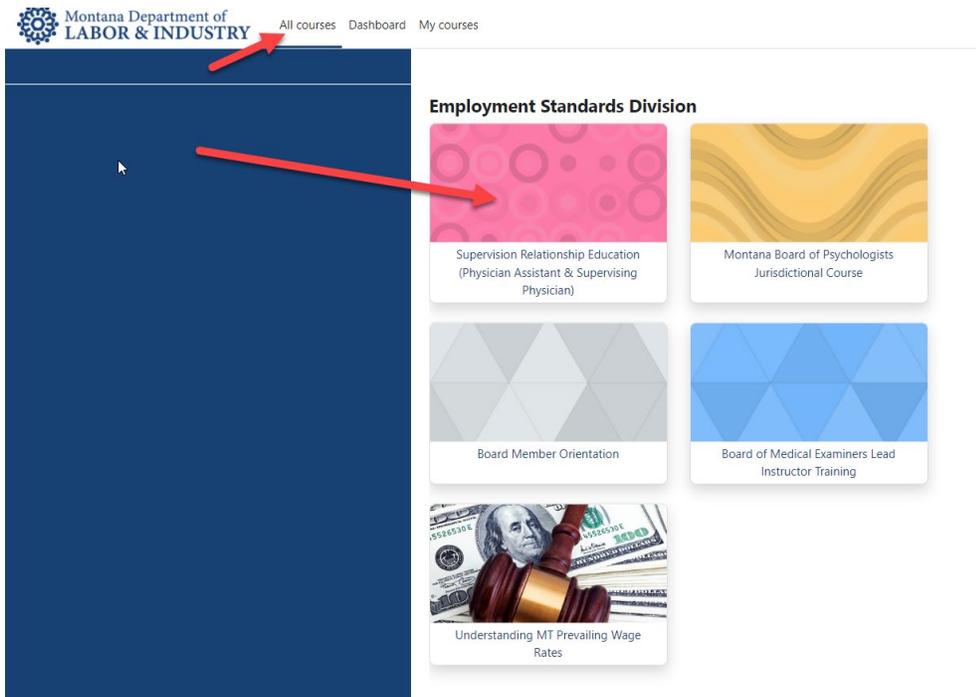

To begin the Okta account activation process, click the **Activate Account** button.

Complete the sign-in process by entering your email address and password.

STEP 3: Select “All courses” then select “Supervision Relationship Education (Physician Assistant and Supervising Physician)”

Step 4: Complete the course. Send certificate of completion to dlibsmed@mt.gov or upload to your online application.

Instructions to reset an okta password are found here: <https://okta.mt.gov/Help>
