MPDR FEE STATEMENT

All Montana licensees who are authorized to prescribe or dispense controlled substances in Schedules II-V are required to pay a \$30 annual fee for establishing and maintaining the Montana Prescription Drug Registry (MPDR), see Montana Code Ann. Sec. 37-7-1511(1), effective July 1, 2015, as amended by the Montana Legislature. The MPDR Fee is collected as a separate fee at the time of initial license application or as a part of license renewal. The fee is \$60 for licensees who have a two year renewal. Payment is required whether or not the licensee is physically located in Montana or uses the MPDR online program. Licensees are not required to pay this fee if they are not authorized to prescribe or dispense controlled substances in Schedules II-V. If the fee does not apply to you, then check the attestation statement.

Please submit this page with check/money order for the above fee(s) by October 31 of your license's expiration year. Do not send cash. Incomplete applications will be returned.
