

PROFESSIONAL & CHARACTER REFERENCE LIST

Professional Engineers & Professional Land Surveyor Applicants

Type or print names and addresses of 5 references; 3 of the references must be professional engineers or professional land surveyors having personal knowledge of your experience. The evaluation of a land surveyor applicant's qualifications involves a consideration of the applicant's education, technical and land surveying experience, exhibits of land surveying projects that the applicant has overseen, recommendations by references, and a review of these categories. The board may require an interview as necessary.
