1 Document Overview

The PMP AWARxE Law Enforcement User Guide provides step-by-step instructions for law enforcement and licensing board investigators to register and request data from the Montana Prescription Drug Registry (MPDR) database, the state’s prescription monitoring program (PMP). The MPDR is administered and maintained by the Montana Board of Pharmacy, within the Montana Department of Labor and Industry. This document includes such topics as:

- Registering for an account
- Creating Insight Report requests
- Viewing request status
- Viewing Insight reports
- Managing your account
- Requesting MPDR Law Enforcement Insight Reports

As background, the MPDR provides a list of controlled substance prescriptions dispensed to patients to healthcare professionals to use as a tool to help improve patient safety. The information may also be used to identify possible misuse or diversion of controlled substances. Pharmacies are required to report controlled substance prescriptions, Schedules II through V, to the MPDR by close of the next business day after dispensing. Law enforcement and licensing board investigators have limited access to request reports as described in this guide.

In general, healthcare professionals who have authority to register and directly search the MPDR include:

- Physician (including Resident and Compact)
- Dentist
- Optometrist
- Podiatrist
- Naturopathic Physician
- Physician Assistant
- Advanced Practice Registered Nurse with Prescriptive Authority
- Pharmacist
- Pharmacist’s Delegate – Licensed
- Pharmacist’s Delegate – Unlicensed
- Prescriber Delegate – Licensed
- Prescriber Delegate – Unlicensed

Note: Prescribers and Pharmacists with Emergency Healthcare Registration issued in Montana are included in online registration and access.

In addition, authorized representatives of Medicaid, Medicare, Veterans Affairs, Indian Health Service, and Tribal Health may apply for online access if they do not have a Montana license.

1.1 What is a Law Enforcement Registered User/Requestor?

The following users need to register online to request information from the online MPDR Law Enforcement Insight Reports function through Appriss, but DO NOT have direct patient search authority:
• Federal, State, Tribal, or Local Law Enforcement – pursuant to an investigative subpoena.

• State Licensing Board Investigators – pursuant to an active complaint and investigation of drug misuse or drug diversion.

**Importantly, law enforcement users DO NOT have direct access to search the MPDR Appriss AWARxE database but use the online system to submit their report requests.**

• Insight Reports are generated by the search request criteria entered by law enforcement or board investigator users through their online account. However, the requested report is not available to such users until the MPDR Administrator validates the request and approves the resulting report(s).

• Once approved by the MPDR Administrator, the user will receive an email notification that their requested report(s) is available to retrieve online through the MPDR Law Enforcement Insight Report access account created by the user.
2 Registration

This chapter provides an overview of the PMP AWARxE registration process as well as detailed instructions for registering for an account for law enforcement and licensing board investigators.

2.1 Registration Overview

The registration process is comprised of four sections: Register for an Account, User Role Selection, User Demographics, and Review Profile Details. All four sections must be completed before your registration is successfully submitted for processing.

- **Register for an Account** - Your email address will be your username so each individual must register for an account with a unique and private email address.

More detail about each registration section is provided below.

2.2 Registering for an Account

To request a new account in PMP AWARxE:

1. Navigate to [https://montana.pmpaware.net/login](https://montana.pmpaware.net/login).
   The Log In page is displayed as shown on the following page.

   ![Log In Page](image)

2. Click **Create an Account**.
   The Register for an Account page is displayed.
3. Enter your current, valid email address in the Email field, then re-enter it in the Confirm Email field. The email address you provide will be your username for logging in to the system.

   **Note:** If the email addresses you entered do not match, an error message is displayed.

4. Enter a password in the Password field, using the password requirements provided below, then re-enter it in the Password Confirmation field.

   **Passwords must contain:**
   - At least twelve (12) characters
   - One (1) uppercase letter
   - One (1) lowercase letter
   - One (1) special character such as !, @, #, $, etc.
   - No more than 72 characters
Note that a checkmark appears next to each requirement as it is met.

If the passwords you entered do not match, an error message is displayed.

5. Click **Continue**.

The Account Registration: **User Role Selection** page is displayed.

Note: At this point in the registration process, you may click **Log Out, Complete Later** to save your login credentials and complete your registration at a later time. When you are ready to complete your registration, navigate to https://montana.pmpaware.net, then enter the username and password you established in the previous steps.

6. Click the **Law Enforcement** user role category as your user role type.
The list of available user roles in that category is displayed. Law enforcement users can select from the following:

- Federal Law Enforcement
- State Law Enforcement
- Licensing Board Investigator

### Account Registration

**Tell us about your role**

I am:

- [ ] a Healthcare Professional or Delegate
- [ ] In Law Enforcement
- [ ] an Other Professional

Select a specific role from below

- [ ] State Law Enforcement
- [ ] Federal Law Enforcement

**Notes:**

- If you do not see an applicable role for your profession, the MPDR Administrator has not configured a role of that type and potentially may not allow users in that profession access to PMP AWARxE. Please contact the MPDR Administrator for more information.

7. Click to select your user role, then click **Continue**.

The **Account Registration: User Demographics** page is displayed with the fields to complete for Professional Details.

### Account Registration

**Role category:** Law Enforcement

**Role:** State Law Enforcement | Change

**Professional Details**

* Indicates Required Field

- [ ] Position, Title, or Rank *

**Notes:**

- If you selected the wrong user role, you may click **Change**, located at the top of the page next to the user role you selected, at any time to return to the previous page and select the correct user role. Please be aware that changing your user role will cause you to lose any information you entered on the registration form.
The information you are required to enter on this page may vary by state. Required fields for your state are marked with a red asterisk (*). You may use the information provided below as a guideline; however, the same fields will not be displayed or required for every user role.

The **Personal Information** section of this page allows you to enter your personal contact information such as first and last name, date of birth, last name, and mobile phone number.

```

8. Once you have entered all required information, click **Continue**.

*Note: At this point in the registration process, you may click **Log Out, Complete Later** to save your login credentials and complete your registration at a later time. When you are ready to complete your registration, navigate to [https://montana.pmpaware.net](https://montana.pmpaware.net), then enter the username and password you established in the previous steps.*
The Account Registration: Review Profile Details page is displayed.

9. Review your information to ensure it is correct before submitting your registration.
   a. If you need to change your user role, click **Change**, located at the top of the page next to the role you selected. *Note that changing your user role will cause you to lose any information you entered on the registration form.*
   b. If you need to edit your personal information, click **Edit** next to the **Personal Information** section header.

10. If all information is correct, click **Submit & Continue**.
    The **Set Up Multi-Factor Authentication** page is displayed.

11. Verify that the mobile phone number and email address displayed on this page are correct.
    a. If both are correct, continue to step 12.
    b. If you need to update your mobile phone number:
       i. Click **Update Number**.
You will be prompted to confirm that you want to update your mobile phone number.

**Note:** Updating this number will also update your primary mobile phone number.

ii. Click **Yes, Continue**.

You will be prompted to enter your password to continue.

![Password Prompt](image)

iii. Enter the password you created in step 4, then click **Continue**.

**Note:** If you no longer have the password, you can reset it by following the instructions in the Reset Password section of this document.
Once you have successfully entered your password, you will be prompted to enter your new mobile phone number.

![Update Number](image)

iv. Enter your new mobile phone number in the **New Number** field, then re-enter it in the **Re-enter New Number** field.

v. Click **Update**.

You will be returned to the **Set Up Multi-Factor Authentication** page. If your phone number and email address are correct, continue to **step 12**; or, if you need to update your email address, continue to **step c**.

c. If you need to update your email address:

i. Click **Update Email**.

You will be prompted to confirm that you want to update your email address.

**Note:** Your email address is associated with your login credentials. Updating your email address will also update your login credentials.

![Are you sure you want to update your email?](image)

ii. Click **Yes, Continue**.

You will be prompted to enter your password to continue.
iii. Enter the password you created in step 4, then click **Continue**.

*Note: If you no longer have the password, you can reset it by following the instructions in the [Reset Password](#) section of this document.*

Once you have successfully entered your password, you will be prompted to enter your new email address.

iv. Enter your new email address in the **New Email Address** field, then re-enter it in the **Re-enter New Email Address** field.

v. Click **Update**.

You will be returned to the **Set Up Multi-Factor Authentication** page. If your phone number and email address are correct, continue to **step 12**; or, if you need to update your mobile phone number, refer to **step b**.
12. Select whether you would like to receive your verification code via text message or email.

**Note:** If you select both methods, you will receive two separate codes—one via each method.

![Multi-Factor Authentication Setup](image)

13. Click **Continue**.

The Enter Verification Code page is displayed.

![Enter Verification Code](image)

14. Once you have received your verification code via the selected method, enter it in the **Verification Code** field.

**Notes:**

- It may take several minutes to receive your verification code.
- If a few minutes have elapsed and you have not received a code, you can click **Try again** to request a new code.
- You can use your internet browser’s **back** button to return to the previous page and select a different delivery method.

15. Click **Continue**.

A message is displayed indicating that your **multi-factor authentication** has been successfully set up.
16. Click **Continue to AWARxE**.

Once you have submitted your registration and completed the multi-factor authentication process, you will be notified of your account status (**Pending Approval**) and instructed to verify your email address. **Pending Approval**: If your account requires manual approval to complete your registration, your registration status will be “Pending Approval.” You may click the plus sign (+) next to **Registration Details** to view the information you submitted. **Note that your information may not be edited at this time.** Refer to **Account Approval** for more information.

2.3 **Verifying Your Email Address**

Once you have submitted your registration, PMP AWARxE sends an email to the supplied email address for verification of an active email address.

**Note:** If you did not receive the email containing the verification link, you may click **Resend Email** from the **Account Registration** page.
When you receive the email, it will contain a link to verify your email address. Click the verify your email link.

Notes:
- **The link contained within the email is valid for 20 minutes.** In the event that time has expired, clicking the link will result in a new email verification notification being sent to you. Click the link in the new email to verify your email address.
- If you are not able to receive HTML-formatted emails or emails with hyperlinks, please contact the help desk.

Once you click the link, you are directed to PMP AWARxE, and a message is displayed indicating that your email address has been validated.

**Note:** If your account requires approval, you will not have full access to PMP AWARxE functionality, including requesting Insight Reports, until your account is approved. Please refer to Account Approval for more information.

### 2.4 Account Approval

Once the MPDR Administrator has determined that all you have met all account requirements and has approved your account, you will receive an email stating that your account has been approved and is now active.
Once you receive the account approval email, you can log in to PMP AWARxE using the email address and password you created when you registered.

Notes:

- *If you no longer have the password, you can reset it by following the instructions in the Reset Password section of this document.*

- *Upon logging in, you may be presented with the End User License Agreement that you must review and accept prior to using the application.*
3 Basic System Functions

This chapter describes how to log in to PMP AWARxE, Multi-Factor Authentication, how to log out, and is the process for requesting MPDR Law Enforcement Insight Reports online.

3.1 Log In to PMP AWARxE

1. Navigate to https://montana.pmpaware.net.

   The Log In page is displayed.

2. Enter the email address you provided when you registered in the Email field.
3. Enter your password in the Password field.

   **Note:** If you have forgotten your password, click Reset Password. You will be prompted to enter the email address registered to your account. Once you have entered a valid, registered email address, you will receive an email with a link to reset your password.

4. Click Log In.

   **Note:** Your multi-factor authentication expires every 30 days. If your multi-factor authentication has expired, you will be prompted to re-validate your account upon logging in to AWARxE. If you click Log In and are prompted to re-validate your account, please refer to the Multi-Factor Authentication section of this document.

The My Dashboard page is displayed. Provided are any announcements from State Administrators, and any quick links configured by State administrators. From the Menu at the top left of the dashboard you may navigate to the separate sections of the application.
3.1.1 Multi-Factor Authentication

Your multi-factor authentication expires every 30 days. If your multi-factor authentication has expired, you will be prompted to re-verify your account upon logging in to AWARxE.

1. Verify that the mobile phone number and email address displayed on this page are correct.
   a. If both are correct, continue to step 2.
   b. If you need to update your mobile phone number:
      i. Click **Update Number**.
         You will be prompted to confirm that you want to update your mobile phone number.
         
         **Note:** Updating this number will also update your primary mobile phone number.

         Are you sure you want to update your number?
         
         Updating this number will also update your primary mobile phone number.

   iii. Enter the password you created in step 4, then click **Continue**.
      
      **Note:** If you no longer have the password, you can reset it by following the instructions in the **Reset Password** section of this document.

      Once you have successfully entered your password, you will be prompted to enter your new email address.
iv. Enter your new email address in the New Email Address field, then re-enter it in the Re-enter New Email Address field.

v. Click Update.
You will be returned to the Multi-Factor Authentication page. If your phone number and email address are correct, continue to step 2; or, if you need to update your mobile phone number, refer to step b.

2. Select whether you would like to receive your verification code via text message or email.

Note: If you select both methods, you will receive two separate codes—one via each method.

3. Click Continue.
The Enter Verification Code page is displayed.

4. Once you have received your verification code via the selected method, enter it in the Verification Code field.

   **Notes:**
   - It may take several minutes to receive your verification code.
   - If a few minutes have elapsed and you have not received a code, you can click Try again to request a new code.
   - You can use your internet browser’s back button to return to the previous page and select a different delivery method.

5. Click Continue.

   Your account is verified, and you will be logged in to AWARxE.

### 3.2 Log Out of PMP AWARxE

To log out of the system, click the arrow next to your username (located in the top right corner of the page), and then click Log Out.
4 User Profile

The User Profile section of the PMP AWARxE menu allows you to manage your AWARxE user profile, including:

- Viewing and updating your profile information
- Updating or resetting your password

4.1 My Profile

My Profile allows you to view your account demographics, including user role, as well as update your contact information, and time zone.

To update your account:

1. Click Menu > My Profile.

   The My Profile page is displayed.
   
   ![My Profile Page]

2. Update your information as necessary. The following notes may be helpful in updating your information:

   - **Updating Time Zone:** To update your time zone, select the correct time zone from the Time Zone drop-down.

   - **Contact Information:** You may update the email address and mobile phone number associated with your account in the Contact Information section of the page.

     1. To update the email address or mobile phone number associated with your account, click the update button.
2. You will be required to enter your current password.

![Password Entry](image)

3. Elect whether you wish to use the mobile phone number or email address as a verification method for multi factor authentication if you have not already and click the box for **Change Mobile Phone Number** or **Change Email Address**. Clicking this box will expand an additional box for you to enter and re-enter your new contact information.

![Mobile Phone Settings](image)

4. Enter and re-enter the desired mobile phone number or email address and click **Continue**. The phone number or email address will now have updated on the My Profile screen.

3. Once you have made all necessary changes, click **Save Changes**.

4.2 Password Management

**Your AWARxE password expires every 90 days.** There are two ways you can manage your password:

1. You can proactively change your password within the application before it expires by updating your current password.
2. If your password has already expired, or if you have forgotten your password, you can reset your password.

4.2.1 Updating a Current Password

If your password has not expired, but you would like to proactively reset it, you can do so within the AWARxE application.

*Note: This functionality requires that you know your current password and are logged into PMP AWARxE.*

To update your password:

1. Click **Menu > Password Reset**.
   
The Change Password page is displayed.

2. Enter your current password in the **Current Password** field.
3. Enter a new password in the **New Password** field, then re-enter it in the **New Password Confirmation** field. The password guidelines are provided below.

   *Passwords must contain:*
   - At least twelve (12) characters
   - One (1) uppercase letter
   - One (1) lowercase letter
   - One (1) number
   - *One (1) special character such as !, @, #, $, etc.*

4. Click **Change**.
   
Your password is updated, and you will use the new password the next time you log in to the system.
4.2.2 Resetting a Forgotten Password

1. If you have forgotten your password or your password has expired, navigate to https://montana.pmpaware.net.

   The Log In page is displayed.

   ![Log In Page](image)

2. Click Reset Password.

   The Reset Password page is displayed.

   ![Reset Password Page](image)

3. Enter the email address associated with your account, then click Continue.

   If the email address you provided is valid and registered, you will receive an email containing a link to reset your password. Once you have received the email, click the link.

   The Change Password page is displayed.

4. Enter a new password in the New Password field, then re-enter it in the New Password Confirmation field. The password guidelines are provided below.

   **Passwords must contain:**

   - [Guidelines]
• At least twelve (12) characters
• One (1) uppercase letter
• One (1) lowercase letter
• One (1) special character such as !, @, #, $, etc.
You cannot re-use any of your last 12 passwords.

5. Click Change.

Your password is updated, and you will use the new password the next time you log in to the system.

Notes:
• The password reset link is active for 20 minutes. After the time has expired, you will need to repeat steps 1–3 to generate a new password reset email.
• Per our security protocol, PMP AWARxE will not confirm the existence of an account. If you do not receive an email at the email address provided, follow the steps below:
  1. Ensure you entered a valid email address.
  2. Check your Junk, Spam, or other filtered folders for the email.
  3. If the email address is correct but you have not received the email, contact your PMP Administrator to request a new password or determine what email address is associated with your account.
  4. Add the following email addresses and domains to your contacts list, or contact your organization’s IT support to have them added as safe senders:
     (a) no-reply-pmpaware@globalnotifications.com
     (b) globalnotifications.com
     (c) amazonses.com
5 MPDR Law Enforcement Insight Reports

This MPDR Law Enforcement Insight Reports section describes the reports found under Menu > Insight. Insight Reports are investigative by nature; therefore, not all user roles have access to these reports. Typically, these reports are used by state PMP administrators, law enforcement, and other investigative roles in the investigation of a case.

The following users will request information from the online MPDR Law Enforcement Insight Reports functions through Appriss, but DO NOT have direct patient search authority:

- Federal, State, Tribal, or Local Law Enforcement – pursuant to an investigative subpoena.
- State Licensing Board Investigators – pursuant to an active complaint and investigation of drug misuse or drug diversion.

Importantly, law enforcement users DO NOT have direct access to search the MPDR Appriss AWARxE database but use the online system to submit their report requests.

- Insight Reports are generated by the search request criteria entered by law enforcement or board investigator users through their online account. However, the requested report is not available to such users until the MPDR Administrator validates the request and approves the resulting report(s).
- Once approved by the MPDR Administrator, the user will receive an email notification that their requested report(s) is available to retrieve online through the MPDR Law Enforcement Insight Report access account created by the user.

Note: You may not have access to all of the reports listed in this section. Some users will not have access to any of these reports. The reports available under Insight Reports may vary depending on your user role and the settings enabled by the MPDR Administrator. If you do not have access to a report and you think you should, please contact the MPDR Administrator.

Overview

The New Reports menu option allows you to access the Insight Reports that are available to you and generate those reports. To access these reports, click Menu > New Reports (located under Insight).

The PMP AWARxE Insight Reports page is displayed.
A list of the most common reports is provided below. Note that you may not have access to all of these reports, and/or you may have access to reports not listed here that are specific to your state. You may click the report name to easily navigate to that section.
