ARM 24.204.504 (2) A limited practice permit holder may perform bone densitometry examinations upon successful completion of the bone densitometry equipment operators (BDEO) examination administered by the American Registry of Radiologic Technologists (ARRT) or the International Society of Clinical Densitometry (ISCD).

The state of Montana has an agreement with the ARRT for the BDEO examination.

APPLICATION: submit this application to the board office. You will be registered with the ARRT when this application is returned to the Board office.

Exam and fee instructions will be mailed to you after you are registered by this office.

Name _____

Mailing Address _____

SSN _____ DOB _____ Phone _____

Limited Permit License Number _____

Upon successful passage of the ARRT Core exam (if applicable) and the BDOE exam you will be issued a license which will include the category of bone densitometry.
